

Product/Process Change Notice - PCN 20_0186 Rev. -

Analog Devices, Inc. Three Technology Way Norwood, Massachusetts 02062-9106

This notice is to inform you of a change that will be made to certain ADI products (see Appendix A) that you may have purchased in the last 2 years. **Any inquiries or requests with this PCN (additional data or samples) must be sent to ADI within 30 days of publication date.** ADI contact information is listed below.

PCN Title: AD7779 AND AD7770 INL Max specification removal

Publication Date: 11-May-2020

Effectivity Date: 13-Aug-2020 *(the earliest date that a customer could expect to receive changed material)*

Revision Description:

Initial Release

Description Of Change:

Changing the INL specification From Max to Typical on the datasheet

Reason For Change:

As INL performance is guaranteed by design, this change improves manufacturability.

Impact of the change (positive or negative) on fit, form, function & reliability:

Change does not impact fit, form, function or Reliability

Product Identification *(this section will describe how to identify the changed material)*

Material with date code greater than 2018 will be affected by this change.
