

ADM3251E Datasheet Revision

Change Description	Changed From:	Changed To:
Datasheet Revision	G	H
Reduce Creepage and Clearance distance in previous revision's Table 5 to align with part geometry. Note Tables 3, 5 and 6 in the previous revision are combined to form Table 3 in new revision.		
Creepage decrease	7.6mm	3.5mm
Clearance decrease	7.7mm	3.5mm
Update distance through insulation (DTI) and Material Group in previous revision's Table 5 part to align with part properties. Note Tables 3, 5 and 6 in the previous revision are combined to form Table 3 in new revision.		
Increase DTI	17μm	23μm
Material Group Improvement	IIIa	II
