Reason For Discontinuance

Dear Valued Customer,

This letter is in reference to PDN 26_0005 related to an external assembly partner Amkor Technology Philippines – ATP1 deciding to EOL of Die Coat Support and Strip Test Devices (PDL SO ZZ 008) for ADI/ Maxim, and despite our efforts to find an alternative we have been unable to secure a replacement. ADI does not obsolete parts that still have customer demand unless driven by exceptional circumstances and understands that customers value the reliability of long-term production assurance.

This PDN includes recommended alternatives, Analog.com product pages have links to the PDN under each orderable part number and updates to display alternatives on product pages have been added.

We apologize for any inconvenience this may cause and remain committed to minimize impact to you. Feel free to contact your ADI sales representative should you have any questions.
