HEALTHY MEALS IN  
THE RA'ANANA AREA

**We are committed to addressing social and societal issues through leveraging innovative solutions that help solve community problems, support efforts to eradicate poverty and promote health and well-being.**

**T**hrough the Foundation, we provided support to people in need around the Ra'anana area in Israel, where ADI's Israel office is located.

The Foundation provided a grant to Leket Israel, the National Food Bank, which is the leading food rescue organization in Israel. Unique among all other organizations that serve the poor in Israel and food banks worldwide, Leket Israel's sole focus is rescuing healthy, surplus food and delivering it to those in need through partner nonprofit organizations. Leket Israel harvests surplus agricultural produce and collects cooked meals that are subsequently distributed to the needy throughout the country. Importantly, Leket Israel only donates 100% nutritious food. Through our grant, Leket was able to provide healthy, nutritional meals to 1,000 people in need around the Ra'anana area.
