

- 
- The diagram shows a cross-section of a turret assembly. A horizontal line represents the PCB, with the top surface labeled 'PCB : TOP' and the bottom surface labeled 'PCB : BOTTOM'. A vertical line represents the turret, with the top part labeled 'TURRETS'. The turret is shown in two positions: one where it is in contact with the top surface of the PCB, and another where it is in contact with the bottom surface of the PCB. The turret has a cylindrical body and a flat top surface.
