

This notice is to inform you of a change that will be made to certain ADI products (see Appendix A) that you may have purchased in the last 2 years. **Any inquiries or requests with this PCN (additional data or samples) must be sent to ADI within 30 days of publication date.** ADI contact information is listed below.

PCN Title:	Addition of MEC Electronics Philippines Corporation as an Alternate Assembly Site for DS9092+ and DS9092T# Products
Publication Date:	1-Feb-2024
Effectivity Date:	5-May-2024 <i>(the earliest date that a customer could expect to receive changed material)</i>
Revision Description:	Initial Release.

Description Of Change:

ADI will be adding MEC Electronics Philippines Corporation as an alternate assembly site to Dynamic Harness Yours Electronics for DS9092+ and DS9092T# products.

Reason For Change:

Adding MEC Electronics Philippines Corporation as an alternate assembly site will increase capacity and ensure continuous product supply to ADI customers.

Impact of the change (positive or negative) on fit, form, function & reliability:

There are no changes to the form, fit, function, quality, or reliability.

Product Identification (this section will describe how to identify the changed material):

Summary of Supporting Information:

Samples provided by MEC passed and met the requirements stated on the product assembly drawing. See attached Qualification Results Summary.

Supporting Documents:

Attachment 1: Type: Qualification Report Summary
