Re: Dimethyl Fumarate ("DMF") General Statement

To Whom It May Concern:

Analog Devices Inc. (ADI) products, to the best of the Company's knowledge and after good faith inquiry, do not contain dimethyl fumarate ("DMF"), CAS# 624-49-7, EC# 210-849-0 above the indicated levels set forth in the current Directive 2009/251/EC and are therefore compliant with the said Directive.

The information on ADI products in this letter is based upon the information by the material suppliers and assembly manufacturers used by ADI to manufacture these products. As such, ADI makes no independent representations or warranties, expressed or implied, and assumes no liability in connection with the use of this information.

Thank you for your interest in ADI products.
