

DSP Microcomputer

ADSP-2181 Data Sheet Rev D Document Errata

The ordering guide in the ADSP-2181 product data sheet found at [ADSP-2181 Datasheet and Product Info | Analog Devices](#) is incorrect. These products are no longer available.

The only products currently available to order for the ADSP-2181 DSP microcomputer are:

Part Number ¹	Ambient Temperature Range	Instruction Rate (MHz)	Package Description	Package ² Option
ADSP-2181BSZ-133	-40°C to +85°C	33.3	128-Lead PQFP	S-128
ADSP-2181KSZ-160	0°C to +70°C	40	128-Lead PQFP	S-128

¹Z = RoHS compliant part.

²S = Plastic Quad Flatpack (PQFP).
