HOW TO GET INFORMATION FROM ANALOG DEVICES

Analog Devices publishes data sheets and a host of other technical literature supporting our products and technologies. Follow the instructions below for worldwide access to this information.

FOR DATA SHEETS

U.S.A. and Canada

- Fax Retrieval. Telephone number 800-446-6212. Call this number and use a faxcode corresponding to the data sheet of your choice for a fax-on-demand through our automated AnalogFax™ system. Data sheets are available 7 days a week, 24 hours a day. Product/faxcode cross reference listings are available by calling the above number and following the prompts. There is a short index with just part numbers, faxcodes, page count and revision for each data sheet (Prompt # 28). There is also a longer index sorted by product type with short descriptions (Prompt #29).
- World Wide Web and Internet. Our address is <http://www.analog.com>. Use the browser of your choice and follow the prompts. We also provide extensive DSP literature support on an Internet FTP site. Type <ftp://ftp.analog.com> or <ftp://137.71.23.11>. Log in as anonymous using your e-mail address for your password.
- Analog Devices Literature Distribution Center. Call 800-262-5643 and select option two from the voice prompts, or call 781-329-4700 for direct access, or fax your request to 508-894-5114.
- Analog Devices Southeast Asia Literature Distribution Centre. Fax requests to 65-746-9115. Email address is analog@mbox5.singnet.com.sg.
